Company Overview

Fiscal Solutions is a CPA accounting firm headquartered in Atlanta, Georgia, that serves local and nationwide clients. The company has been at the forefront of implementing cloud-based accounting and creating a paperless environment. Fiscal Solutions continues to be an industry leader in using advanced technology to allow its clients to function seamlessly and efficiently.

At Fiscal Solutions, we firmly believe that our collaborative culture fuels not only the success of our team but the satisfaction of our clients. Our versatile and resourceful professionals are bound by trust, integrity, and an authentic desire to provide excellent boutique service beyond our clients' expectations. Each member of our team has been carefully selected as an integral part of our dynamic environment that is modernizing the way accounting, compliance, and administrative issues are resolved.

Differentiators

- ▶ **Premiere accounting**, business and value added services in a secure, cutting edge, cloud-based environment
- ▶ **Real time access** to financial information for users on a "need to know" basis
- ▶ **Streamlined and customized** financial reporting for multi or single entity companies
- ▶ **Solidarity and continuity** across all accounting and administrative services
- ▶ **Seamless communication** and plan implementation between users, project managers, advisors and legal team
